

Vision Statement.

Llantilio Pertholey Church in Wales Primary School.

We aim to ensure that Llantilio Pertholey is a school where we actively promote the academic, moral, cultural and physical development of every child, through setting of challenging targets for us all.

We strive to provide a happy and well-ordered community within an attractive, safe and stimulating environment, where all individual achievement is both recognised and valued.

In seeking to create a partnership approach to the education of our children, we value contributions from governors, parents and the local community, as we work together to make our school both active and integrated within the wider community.

We Aim To:

- *encourage the academic, cultural, moral and physical development of all pupils*
- *provide a broad, balanced, differentiated curriculum*
- *ensure that all children achieve appropriate levels in the key skills of numeracy. Literacy, ICT, creativity and problem solving*
- *offer all children the skills required for lifelong learning including research skills and an insight into how to become a good learner*
- *recognise that individual pupils have specific needs and make appropriate provision for them*

Aims

- *provide a range of additional activities to encourage and nurture our pupils' development*
- *develop the confidence of pupils, helping them to value their own achievements and those of others*
- *create a happy, well ordered school community which promotes good relationships, courtesy and caring attitudes to others*
- *promote good relationships with parents, governors and the local community*
- *foster the professional development of staff enabling them to develop their skills and expertise*
